All Schools Regardless of Community Spread

- Confirmed person with COVID-19 in building?
- Assess risk
- Short (potentially two to five days) building dismissal to clean, disinfect, and contact trace in consultation with local health officials

No Community Spread

- Prepare
- Teach and reinforce healthy hygiene
- Develop information sharing systems
- Intensify cleaning and disinfection
- Monitor for absenteeism
- Assess group gatherings and events
- Consider postponing noncritical gatherings and events
- Require sick students and staff to stay at home
- Establish procedures for someone becoming sick at school

Minimal to Moderate Community Spread

- Coordinate with local health officials
- Implement multiple social distancing strategies for gatherings, classrooms, and movement through the building
- Consider ways to accommodate needs of children and families at high risk

Substantial Community Spread

- Coordinate with local health officials
- Implement multiple social distancing strategies for gatherings, classrooms, and movement through the building **with extended school dismissals**
- Consider ways to accommodate needs of children and families at high risk
